*Dear Congregation,*

*Your Pastor Nominating Committee is pleased to present our newly called pastor, Rev. Landon Whitsitt. We look forward to the worship service today at 10am where you will hear Landon preach and also the congregational meeting to follow where we will present Landon for election as our next senior pastor. (Please refer to a prior email from the church about how to participate in the service and meeting.) In the meantime, please watch the video via the link below in which the PNC shares its thoughts on the pastor search process and our excitement for Landon (and his family) and the future of Westminster.*

*As is typical, Landon will notify his current constituents of his potential departure only after being elected to this new role. For that reason, we ask you keep Landon's identity in the Westminster family until later today.*

*Blessings and peace,  
Pastor Nominating Committee  
Westminster Presbyterian Church*
